Safe Church Communities information on the Diocesan website

I have updated the Guidelines for New ChildSafe Endorsements. Please make sure that the Guidelines you are following have the footer 'Renewed May 2010'. The link to the relevant page on the website is <http://anglicantas.org.au/about-safechurch/>

In relation to the resources available for Faithfulness in Service training, I need to clarify that the PowerPoint Presentation and Notes for Presenters have been developed for face to face training and the Training Module F1 to be used by individuals for self-paced training. The section on power is particularly relevant for those exercising a personal ministry.

Please watch out for more training dates in the next newsletter.

Yours sincerely
